

## Scholarship - 5th International Summer Camp

The application deadline is 10th June 2017

The Summer Campus is a social sculpture. Art takes place in newly developed spaces that make cultural encounters possible. Untenanted houses and apartments are breathed into life again; they are made to tell their stories. Kalbe is reshaped as a location, transformed and reinterpreted.

In the period from 24th July to 10th September 2017 the Summer Campus will take place for the fifth time in the 'Kuenstlerstadt Kalbe'. Students as well as graduates of all art forms (fine arts, music, literature, dance, theater, film, media, etc.) have the chance to live and work in empty houses and flats for 2 -4 weeks.

This year it will be especially rustic! The special feature is that the participants will sleep in large tents, which can accommodate up to 15 people. But if you prefer, you can also come with your own small tent. Four scholarship holders may also sleep in regular rooms. The studios are located in houses which were previously empty and will be temporarily in use for the Campus. Art students from Germany - as well as internationally - are invited to attend.
